THE MINOR PROPHETS

Minor Prophets with a Major Message: Repent, Return, Restore
2023 Winter Worship Series

When was the last time you read a Minor Prophet, other than when referenced by the Gospels? These often overlooked books of the Bible contain some major messages for us today. They paint a picture of God's hatred of sin, God's great love for people despite their unfaithfulness, and God's desire for us to repent and return so that we may be restored into a right relationship again. Take some time to read each of these short books before the day of the sermon to gain a better understanding of their major message. This winter we will major in the Minor Prophets as we hear warnings, judgments, and the voice of God calling us back home.
